

NTSB Accident Lessons Learned

Our speaker is an NTSB Investigator, served in the U.S. Air Force as a pilot and accident investigator and has experience flying for a major airline. Best of all, he is passionate about fun, real GA flying! His vast experience and love for flying will lend to an exciting learning event for all pilots. He will be presenting several accidents and express details from them that will increase each audience member's enjoyment and safety in all future flights. Don't miss this one!

Directions: The Ramada Inn is immediately to the northeast of the Centennial airport Control Tower. Arapahoe conference room.
